Bir seni bir gülü öptüm gizlice
Gül beni kokladı, soldu, inledi,
Aşkı anladı

Bir sana, bir göle aktım delice
Göl, suya hasreti benden dinledi,
Aşkı anladı

Derdimi, denize açtım o gece
Derinde bir kaya, yandı, titredi,
Aşkı anladı

Taşlara ruh veren sırra ermedin
Ömrümü mahveden derdi bilmedin
Aşkı bilmedin
